GI[♥]NGTUESDAY

Greetings!

From *homeless to home for the holidays*. Now that is something to celebrate!

Support4Recovery continues to redefine what it means to be *Home for the Holidays* for the recovery community. We want the holidays to be a joyous time for celebration and gatherings *for everyone*. For those in recovery, that means having a safe, sober place to live.

Thanks to you, this year we celebrated 15 years supporting the most critical recipients who have been turned away or are not eligible for other housing grant programs! This #GivingTuesday, please consider supporting Support4Recovery to help us continue this work.

Your #GivingTuesday donation will help provide a clean and sober living environment as well as vital recovery programs for those affected by addiction.

- **\$65** allows us to support an alumni gathering, where the community can come together in support and fellowship
- **\$75** supports family reunification, funding a family outing for individuals navigating recovery
- **\$200** allows us to pay for certification and testing costs for new counselors, who have dedicated their work in recovery to helping others
- **\$400** allows us to provide funds for essential clothing and school supplies for a child of a parent in recovery
- **\$650** funds a 30-day housing grant in a safe and sober living environment for the most critical recipients - who have been turned away or are not eligible for other housing grant programs
- **\$1000** funds 40 hours of film work on Finding Hope in America, the center point of our advocacy work in support of the Spanish-speaking recovery community

No gift is too small and all donations go directly to supporting the path to recovery!

Together, we can break the stigma of addiction and give those in recovery the best chance at a life free from the pain of substance abuse.
